PRINCIPAL BRANCH

"NATIONAL INK COMPANY," OF NEW YORK.

Mr. CLARENCE MCCARTHA, having been appointed Salesman and General Agent, is the representative of above Company for the District of Abbeville, State of South Carolina. All parties, therefore, whether having dealt with us previously or otherwise, will please avail themselves of the advantages of dealing directly with the representative of our house there; they will find it to their pecuniary interest to do so.

C. L. VAN ALLEN, Actuary.

THIS INK has been in general and constant use for the last twenty years, and is warranted to be all that we assert of it:

1st. It is indelible.
2d. It will not corrode the pen.
3d. It flows with perfect facility; a line is never broken.

4th. It will not collect on the pen nor mouth of the stand. All this is warranted. This Writing Fluid is black, with a rich and glossy tint of blue.

It will furnish INK in bottles at New York prices, carefully packed in shipping order in sized packages required. No charge whatever will be made for Barrels or Kegs in orders for INKS on Draft.

On account of its indelible quality, it has met with an extensive patronage from Banks and Counting Houses generally, and in Schools, because every mark is perfectly distinct, and its rich, glossy blue tint is very inviting to the eye.

Address CLARENCE MCCARTHA,
